

## PERMISSION FORM

As part of our program, our staff observes each child in the classroom and plans learning experiences appropriate for the child. We also want to share with you the “spontaneous things” that happen throughout our day. May we have your permission for our staff to observe, photograph and / or videotape your child?

We also have local newspapers stopping by to do articles on the Center and may at times photograph as well. Please check giving consent.

The Center would like to share current programming and events with our friends on social media. By signing and checking the social media consent, you are granting SVCC permission to post or post photographs on our Facebook page, the Hellertown Patch, etc. documenting special projects, crafts, or activities done in our classrooms.

Your permission may be changed at any time by resubmitting this form or directly contacting the directors.
