

Dear Parents~

The severity of peanut allergies have become more and more alarming, therefore, products with peanuts will not be served to any of the children in the center's care under the age of four. We would appreciate you filling out the bottom portion of this letter to let us know if your child has permission to have peanut butter or peanut containing products.

Thank you.

Child's Name _____

_____ My child has my permission to have peanut butter.

_____ My child does NOT have my permission to have peanut butter.
